Learning Objectives for Participants

At the conclusion of this seminar, the participant should be better able to:

1. Define the role of the leader and leadership behaviors.
2. Articulate value of developing leadership skills and tools.
3. Understand communication styles and leadership styles and how to use and flex those for effective leadership.
4. Explain the strategic planning process.
5. Determine how better leadership leads to improved care.

JOINTLY ACCREDITED PROVIDER™
